Corrigendum

Replace section 12.4 by the following:

12.4 When an appointment is extended solely to enable a staff member to utilize her maternity leave entitlement under section 12.3 above, such extension shall not give rise to any further entitlement to salary increment, annual leave, sick leave or home leave, but credit towards repatriation grant may continue to accrue if the staff member has not returned to her home country. In the event of death during the period of the extension, the period prior to the staff member's death may be taken into account in the determination of the death benefit provided under staff rule 109.10 (a) (vi) or 209.11 (a) (v).
